- Cybersecurity Professional Certificate
- Built and deployed AI-powered workflow automation solutions using n8n, ChatGPT, Airtable, APIs, and Google Workspace.

## PROFESSIONAL WORK EXPERIENCE

### BEES INTERIORS

#### EXECUTIVE ADMINISTRATIVE ASSISTANT

LAGOS, NIGERIA

AUG 2022 - OCT 2025

- Managed complex executive calendars, coordinating meetings, appointments, and business commitments to ensure efficient time management and timely completion of key priorities.
- Streamlined scheduling and administrative workflows, improving executive productivity and creating additional capacity for strategic planning and decision-making.
- Conducted market, industry, and client research, providing actionable insights that supported executive decisions, operational improvements, and business growth initiatives.
- Served as the primary liaison between executives, clients, vendors, and internal teams, ensuring seamless communication and effective stakeholder management.
- Coordinated travel arrangements, meeting logistics, and executive documentation, ensuring smooth execution of business activities and engagements.

- Maintained confidential records, reports, and correspondence with a high level of accuracy, discretion, and professionalism.

- Supported day-to-day administrative operations, including email management, document preparation, task coordination, and follow-up activities.

**TRAVEL AFCON  
EXECUTIVE PERSONAL ASSISTANT**

**LAGOS, NIGERIA  
JAN 2019 - MAY 2022**

- Provided comprehensive executive support to the Managing Director, managing calendars, appointments, meetings, correspondence, and day-to-day administrative operations.

- Coordinated domestic and international travel arrangements for executives and clients, including flight bookings, hotel reservations, airport transfers, and travel logistics.

- Prepared, reviewed, and submitted visa applications and supporting documentation to multiple embassies, ensuring compliance with country-specific requirements and deadlines.

- Managed end-to-end visa processing for clients, serving as the primary point of contact throughout the application process and providing timely updates on application status.

- Designed personalized travel itineraries tailored to client preferences, budgets, and travel objectives, ensuring exceptional customer experiences.

- Built and maintained strong relationships with clients, embassies, travel partners, and service providers, contributing to high levels of client satisfaction and repeat business.

- Handled confidential client records, travel documents, and executive information with a high degree of professionalism, discretion, and accuracy.

- Coordinated meetings, travel consultations, and client engagements while ensuring seamless communication between executives, clients, and external stakeholders.

- Resolved client travel and documentation issues proactively, ensuring smooth travel experiences and minimizing disruptions.

- Supported business operations through document management, record keeping, reporting, research, and administrative process coordination.
